2 ± The Commissioner of Police, Civil and Military Station, Bangalore, recommends that the post of the Fire Engine Driver may be made pensionable with effect from the 13th February, 1925.

Under the orders of the Government of India contained in memorandum No. 180(6)-A, dated the 26th January, 1926, the pay of the Fire Engine Driver is met as follows:- S.N. 92 234-95.

Mysore Residency ...	...	1/3rd.
Mysore Assigned Tract ...		1/3rd.
Municipal Commission, C. & M. Station, Bangalore...		1/3rd.

The Municipal Commission, Civil and Military Station, Bangalore, who were consulted in the matter, agree to pay 1/3rd of pensionary contribution with effect from the 13th February, 1925.

3 ± If approved a copy of P.U.C., with enclosures, may in the first instance, be sent to the Accountant-General, Madras, with the request that he will be so good as to state whether there is any audit objection to the proposal being sanctioned by the Hon'ble the Resident.

Draft endorsement is submitted for approval.

Please see S.N. 3 & 4, and the office notes in paras 1 to 3.

The Accountant General, Madras, states that there is no audit objection to the post of Fire Engine Driver being made pensionable with the sanction of the Resident. He, however, states that if the benefit of the past service paid from contingencies is also to be allowed to qualify for pension the sanction of the Government of India is necessary under Article 361-A of C.S.R. and the note (b) thereunder.

It appears that there are no strong grounds for approaching the Government of India to sanction the proposal with effect from 13th February 1925,

If approved the proposal may be sanctioned from the 1st January 1933, and the Municipal Commission may be asked to pay contribution both for pension and leave salary from that date. This will avoid a reference to the Government of India.

SIR,

Subject:

Making the post of Fire Engine Driver pensionable.

--

I have the honour to forward herewith copy of my letter No.706/A to the President Municipal Commission dated 29.6.1932 and his reply thereto No. 4688/32 dated 29.8.32 intimating the consent of the Commission to make the post of Fire Engine Driver pensionable and according their sanction to the payments to be made by the Municipality towards pensionary contribution.

For the reasons elaborated by me in my letter to the President Municipal Commission referred to above, I request that the Hon'ble the Resident may be pleased to order that the post of Fire Engine Driver be made pensionable with effect from the date of the entertainment of the present incumbent of the post.

I have the honour to be,

Copy of letter No.706/A/32 dated 29.6.32 from the Commissioner of Police, Civil and Military Station, Bangalore to the President, Municipal Commission, C & M Station, Bangalore.

I intend to address the Hon'ble the Resident to make the post of Fire Engine Driver pensionable. In Calcutta, Madras and Bombay the posts are pensionable.

2. In a resolution dated 24.6.1927 the Municipal Commission agreed to the raising of the Fire Engine Driver's pay from Rs. 70-2-90 to Rs. 100-5-125 per mensem. This pay, though adequate is less than the pay given in Madras which is 100-5-150.

3. It is most undesirable that the Fire Engine Driver should be a temporary servant. Not only are knowledge of driving and mechanical ability essential but also the Driver must have a thorough knowledge of fire drill, the care of hoses etc. It would certainly take a year to train an ordinary first class motor mechanic and driver to be an efficient Fire Engine Driver. It is extremely difficult to get a first class man to take on a job which is not pensionable. Indeed the present driver joined, believing the job to be pensionable and had to be persuaded to remain on when he found it was not.

4. Although there are not many fires in Bangalore the Fire Engine driver is on duty for 22 hours daily and has no leisure whereas in Madras they work in shifts.

5. The present driver enlisted on 13.2.1925. If the post is made pensionable with retrospective effect the Commission will have to pay a sum of Rs. 578--0--0 representing arrears and Rs 8/- per mensem from now onwards as pensionary contribution. Before I address the Hon'ble the Resident I request that the matter be placed before the Municipal Commission.

With reference to your letter No. 706/A/32 dated the [illegible] June 1932, on the above subject, I have the honour to forward herewith, for your information, a copy of the Municipal Commission's resolution No.7 dated the 25th August 1932, agreeing to make the post of Fire Engine Driver pensionable with effect from the date of the entertainment of the present incumbent of the post and according sanction to the payments to be made by the Municipality towards pensionary contribution. Please address the Hon'ble the Resident in the matter as proposed in your letter under reference.

7. Consideration of the question of making the post of Fire Engine Driver pensionable.

Recommended.

Resolved that the post of Fire Engine Driver be made pensionable with effect from the date of the entertainment of the present incumbent to the post and that sanction be accorded to the payment of a sum of Rs.[illegible]/- towards the arrears of pensionary contribution and Rs.8/- per annum from now onwards for that purpose. Cost involved during the current year to be met from the closing balance.

Subject:- Conversion of the post of Fire Engine Driver as pensionable.

S.N.6. Secy (F)

With reference to the sanction No. 958 dated 7-2-1933 of the Hon'ble the Resident on the subject specified above, I have the honour to request you to prepare and send to this office an establishment pay bill drawing the pay of the driver with the heading 'Not payable at the Treasury' for January 1933 (and for February 1933 also if the pay of the driver for that month has been debited to contingencies) and send to this office so that the amount debited to contingencies - 'Pay of menials' may be now transferred to the head 'Pay of Establishment'.

2. A service book for the driver may be opened from 1-1-1933 and his name included in the next annual establishment returns.

3. The one third share recoverable from the Municipal Commission, Civil and Military Station, Bangalore, should be worked out in accordance with the provisions of Fundamental Rule 127 with effect from 1-1-1933 and the amount thus arrived at included in the demand statement for the quarter ending March 1933.

4. The amount to be recovered from the Municipal Commission will be (under Fundamental Rule 127(a)) 1/3 of the average cost so far as establishment charges are concerned and (under Fundamental Rule 127 (b)) one third of the contribution

contribution for pension and leave salary. The average cost of the post of the Fire Engine Driver should be worked out in accordance with the formula No. 2 prescribed in the Government of India, Finance Department letter No. F. 40-Ex. 1/27 dated 16-7-27 embodied on page 25 of the Accountant General, Posts and Telegraphs compilation of F.R. The average age at entry in the grade being an important factor in this method of calculation and as this office has no information about the same, the correct figure may please be worked out by you and intimated to this office.
